American Rescue Plan: Child Care and Education Funding Estimates

State-by-State Emergency Education and Child Care Funding in the FY21 Budget Reconciliation

The [FY21 Budget Reconciliation](#) provides:

- **More than \$120 Billion for the Elementary and Secondary School Emergency Relief Fund**, which will give schools the resources they need to reopen safely for in-person instruction **and** address significant impact of the pandemic on students' education and well-being.
- **\$40 Billion for the Higher Education Emergency Relief Fund**, which is awarded directly to institutions of higher education. At least half of the funding institutions receive must be distributed to students in the form of emergency grants to prevent hunger, homelessness, and other hardships caused by COVID-19.
- **\$39 Billion in supplemental funding for child care**, which will help child care providers keep their doors open and reduce costs for struggling families.
- **\$1 Billion in emergency funding for Head Start**, which will be used to maintain access to services for children and families.
