“(2) The purpose of the Center shall be—

“(A) to coordinate research, research dissemination, evaluation, demonstration projects, and related activities carried out under this Act;

“(B) to provide assessment of the programs authorized under this Act; and

“(C) to increase the repository of information on evidence-based programs and interventions avail-
able to the aging network. Such information shall be applicable to existing programs and help in the development of new evidence-based programs and interventions.

“(3) Activities of the Center shall include—

“(A) conducting, promoting, coordinating, and providing support for—

“(i) research and evaluation activities that support the objectives of this Act, including—

“(I) evaluation of new and existing programs and interventions authorized by this Act; and

“(II) research on and assessment of the impacts that programs and interventions under this Act have on the health outcomes, social determinants of health, quality of life, and independence of individuals served under this Act;

“(ii) demonstration projects that support the objectives of the Act and activities to bring effective demonstration projects to scale with a prioritization of projects that address the needs of underserved populations;

“(iii) outreach and dissemination of research findings; and
“(iv) technical assistance related to the activities described in this subparagraph.

“(4) The director shall be an individual with substantial knowledge of and experience in aging and health policy, and research administration.

“(5) Not later than October 1, 2020, and at 5-year intervals thereafter, the director shall prepare and publish in the Federal Register for public comment a draft of a 5-year plan that—

“(A) outlines priorities for research, research dissemination, evaluation, and related activities;

“(B) explains the basis for such priorities; and

“(C) describes how the plan will meet the needs of underserved populations.

“(6) The director shall, as appropriate, coordinate with other Federal departments and agencies involved in research in the field of aging.

“(7) Not later than December 31, 2020, and annually thereafter, the director shall prepare, and submit to the Secretary, the Committee on Health, Education, Labor, and Pensions of the Senate, the Special Committee on Aging of the Senate, and the Committee on Education and Labor of the House of Representatives, a report on the activities funded under this section and title IV.
“(8) The director shall, as appropriate, consult with experts on aging research and evaluation and aging network stakeholders on the implementation of the activities described under paragraph (3) of this subsection.

“(9) The director shall coordinate all research and evaluation authorities under this Act.”.
