

**AMENDMENT TO THE AMENDMENT IN THE  
NATURE OF A SUBSTITUTE TO H.R. 4297  
OFFERED BY MR. HOLT**

In section 134(a)(3) of the Workforce Investment Act (as proposed to be amended by section 113 of the bill), insert after subparagraph (F) the following new subparagraph:

1           “(G) supporting employment resource cen-  
2           ters in public libraries to provide unemployed  
3           and underemployed individuals access to work-  
4           force development activities and information re-  
5           lated to training services and employment op-  
6           portunities which may include—

7                       “(i) resume development activities, job  
8                       bank internet searches, and workshops on  
9                       career information;

10                      “(ii) adult education and literacy ac-  
11                      tivities; and

12                      “(iii) acquisition of database licenses  
13                      to improve access to career certification ac-  
14                      tivities and licensing practice tests, and to  
15                      improve workforce skills.”.
